Spell Bound

April 21, 2018 • St. Anne's Centre

An Adult Spelling Bee
(and music trivia for non-spellers)
Raising funds for local environmental works.

We Need Your Support!

SpellBound, an adult oriented spelling bee (and music trivia for those non-spellers in the crowd) is the Kettle Creek Environmental Trust's (KCET) major fundraiser. KCET raises funds for environmental efforts in the Kettle Creek watershed including wetland restoration, environmental education, and reforestation.

Reith and Associates: Hive Protectors

In the past three years SpellBound has raised \$34,000 for KCET environmental projects in St. Thomas and the surrounding area. So far, over three acres of wetland have been created, and the Trust will continue its Re-Wild the Family project in 2018 providing free camping and outdoor mentorship to families that have never camped before.

You or your company could help make real on-the-ground improvements to our local environment by supporting SpellBound in 2018.

2016 Smarty Pants: Bloomin Oxymorons

Teams of six people compete against each other to correctly spell words and answer brain teasers and music trivia. Last year 26 teams competed for the coveted Smarty Pants award. Sponsoring an event of this kind directly links you and your company to worthy environmental works.

In order for KCET to continue to make real environmental change at the local level, we need YOU to consider assisting us in sponsoring SpellBound. We appreciate support in the form of cash, products valued at \$50 or more for our Silent Auction table, in-kind services, or the dedication of volunteer time. A receipt for income tax purposes can be provided for cash donations.
